

BY PHONE OR ONLINE VIDEO

24/7 access to doctors

One of the benefits included in this program is Telemedicine which provides 24/7 access to doctors by phone or online video. Doctors can provide a diagnosis, treatment options, and even write you a prescription, if medically necessary. You'll save time and money by avoiding crowded waiting rooms in the doctor's office, urgent care clinic, or ER. Simply use your phone, computer, smartphone, or tablet to get a quick diagnosis by a U.S. licensed physician.

FIVE TIPS TO

Lower healthcare costs for families

- 1 Resolve common medical issues without missing work.

With \$0 Telehealth visits included in this program, you can get the quality care you and your family deserve anytime, anywhere in the U.S.

- 2 Get care for minor illnesses and injuries without the cost of an unnecessary doctor, urgent care, or ER visit.

Telemedicine offers 24/7 access by phone or online video to physicians who can diagnose illnesses, recommend treatment, and even call in a prescription whenever medically necessary.

- 3 Save money on out-of-pocket healthcare expenses before you reach your deductible.

This program offers an exclusive package of benefits designed to help consumers save money on out-of-pocket healthcare expenses.

- 4 Get the most out of your health benefits.

With this program you have access to advocates who can help you navigate the healthcare system. Industry experts can also review, explain, and resolve insurance claims and billing issues.

- 5 Take advantage of discounts on prescriptions.

Don't pay full price for prescriptions! This program can save you 10% to 85% on prescriptions at pharmacies nationwide. Even if you have insurance, present both cards to receive the lowest price.
